### Gallery go 'round

That madcap trickster, Cary S. Leibowitz (aka Candyass), has amassed a wild array of work for his new show, "The Candyass Carnival (Where Good Things Happen 2 Loozers)." Fusing innocence with irony, "The Candyass Carnival" will include a kissing booth and a raffle, as well as his irreverent paintings. A downtown Dada, Felliniesque event. At Stux Gallery, 155 Spring St., through Nov. 16.
